- How Vello is a game-changer!
- Tour of the Vello Portal and e-library!
Only 37% of fourth-grade students performed at or above the Proficient reading level in 2017.¹

4 TIMES MORE LIKELY TO DROP OUT

Students not reading proficient by fourth grade are four times more likely to drop out of high school.²

1 or More

Research shows that having one or more caring adults in a child's life increases the likelihood that they will flourish, and become productive adults themselves.³

EXTRA 20 MINS.

Students that read an extra 20 minutes per day will hear 1.8 million words per year. They will have read for 851 hours by 6th grade and on standardized tests, they will likely score better than 90% of their peers.⁴

Volunteers are passionate about finding meaningful experiences that make a difference in kids’ lives, but they often face barriers, such as busy schedules, time constraints and commuting.

How do we make volunteering the easiest thing for working professionals and community volunteers?
Classrooms need extra 1:1 reading guides to help move the needle and ensure students reach proficiency by fourth grade. Vello seamlessly fits into the classroom without burdening teachers or school staff.
